Arlington, MA**

PHASE 1 – INFORMATION PACKAGE & ONLINE APPLICATION

80 Broadway is a five-story mixed-use development in Arlington, Massachusetts, developed through the Executive Office of Housing and Livable Communities (EOHLC) Local Action Unit (LAU) Program. The development includes nine (9) total units. Two (2) of the rental apartments are affordable units set at 60% of Area Median Income (AMI).

The PRODUCT:

Two (2) affordable one-bedroom rental apartments will be available by lottery for eligible households earning up to the applicable 70% AMI maximum income limits.

Community Highlights:

- One-bedroom apartment homes with one bathroom
- Air conditioning and in-unit washer & dryer
- Smoke-free building
- One cat is permitted per household in accordance with the pet policy (monthly pet rent: \$50)
- Parking is not guaranteed and is subject to availability
- Public Transportation is available within walking distance

Reasonable accommodation is available for individuals with disabilities in accordance with applicable fair housing laws.

MONTHLY RENTS:

AMI	Total Bedrooms	Total Bathrooms	Monthly Rent	Minimum Annual Gross Income
60% AMI	1	1	\$1,741	\$52,230

Utility allowances are established by the applicable local or regional housing authority and have been deducted from the rents. Tenants are responsible for paying for all utilities directly.

The MAXIMUM Household Gross Income Requirements:

Household Size	1	2
70% AMI	\$84,000	\$96,040

HUD income limits are updated annually, and rents may be adjusted accordingly.

Minimum and Maximum Household Income Guidelines:

- Minimum income is calculated at 2.5 times the monthly rent.
- Income and assets may be considered together when determining minimum-income eligibility.
- The minimum-income requirement does not apply to applicants with a Section 8 voucher or other qualifying rental assistance.

- Rents are based on HUD guidelines, not individual household income. Unless you have rental assistance, you are responsible for the full rent shown above.

HOW THE AFFORDABLE HOUSING PROCESS WORKS

The process below shows the steps from submitting your application to leasing your affordable apartment at The Project.

PLEASE NOTE: Being selected in the lottery does not guarantee approval for an affordable apartment. Applicants must also successfully complete the Leasing Office screening and MCO's Phase 2 eligibility review.

Phase 1 – Self Certification

In Phase 1, applicants submit basic household, income and asset information online. All eligible applicants will be entered into the Open Pool. There is no Local Preference Pool for this lottery.

A complete Phase 1 Application must be submitted by the application deadline to be included in the lottery.

Incomplete or late applications will not be reviewed or included in the lottery.

MCO will review completed applications after the application deadline. Ineligible applicants will be notified by email or mail. Eligible applicants included in the lottery will receive notification confirming household size and lottery eligibility.

The lottery will be held electronically, and applicants will be notified of the lottery results within 72 business hours.

The Leasing Office will contact applicants in lottery rank order to schedule home tours and begin its standard leasing screening process, including credit, landlord, and other leasing checks. Only applicants who pass the Leasing Office screening will continue to Phase 2 of the application process.

Please be advised - MCO Housing Services uses PRONTO Housing for the online application process (Phase 1 & 2). For your first online lottery, you will need to establish an account and create a username and password. See the link to PRONTO and additional information below.

Phase 2 – Detailed Submission & Program Eligibility

Once the applicant has completed and passed the Leasing Office's standard screening process, MCO will invite the applicant to complete Phase 2, which involves submitting detailed financial documentation online. Each applicant will have one week from the date of MCO's Phase 2 invitation to submit all required documents. Applicants should be advised that Phase 2 requires an extensive amount of financial documentation. To prepare, review the list of commonly required documents under "Documents and Links" at www.mcohousingservices.com. If the required documents are not submitted within this one-week period, the applicant forfeits their spot, and MCO will move on to the next applicant in the ranking order.

MCO will review the Phase 2 documentation to confirm program eligibility and finalize approval for leasing. Subsequent applicants will be notified in ranking order only after the preceding applicant has completed the leasing and eligibility process. Household size requirements will guide unit assignments during this process.

1. Eligibility for this lottery is subject to maximum household income limits based on household size. Please refer to the Maximum Household Gross Income Requirements table earlier in this application. Income limits are established by the U.S. Department of Housing and Urban Development (HUD) and are subject to change.
2. Detailed Applicant financial qualification information:
 - a. Household income cannot exceed the above-mentioned maximum gross allowable income limits. Income for all adults 18 or older in household must be included.
 - b. Applicants may not own a home and lease an affordable unit (this includes homes held in a trust).
 - c. All financial accounts, digital wallets, lump-sum receipts, and assets disposed of within the past two years must be disclosed and verified. Assets disposed of for less than fair market value within the past two years will be counted at their full market value when determining eligibility.
 - d. Assets:
 - a. If the applicant's total assets are \$5,000 or less, any actual interest or dividend income earned from those assets will be included in the household's annual income.
 - b. If the applicant's total assets are more than \$5,000, the household's annual income will include whichever is greater:
 - i. the actual income earned from the applicant's assets, or
 - ii. income calculated using a 0.06% imputed rate on the applicant's assets.
3. In addition to meeting income and asset eligibility requirements, you will also be screened and must be approved by the developer's Leasing Office
4. Employees, agents, consultants, or individuals with a financial interest in the development, ownership, management, leasing, or marketing of 80 Broadway, as well as their immediate family members, are not eligible to participate unless otherwise approved in writing by EOHLC.
5. Persons with disabilities will be given first preference for any unit with accessibility features based on the requested bedroom size.
6. Where a person with a disability is waiting for an accessible unit and a unit with adaptive features becomes available, the owner/management agent must offer to adapt the unit.
7. Lottery Pool: All eligible applicants will be entered into the Open Pool. No Local Preference will be applied for the initial lease-up.
8. **Accessibility and Adaptability:**
 - a. Persons with disabilities are entitled to request reasonable accommodation in rules, policies, practices, or services, or to request a reasonable modification in the housing, when such accommodations or modifications may be necessary to afford persons with disabilities an equal opportunity to use and enjoy the housing.
 - b. If the development includes Group 2A wheelchair-accessible units, they will be identified in the Affordable Unit Locations and Descriptions table.

9. Affordable homes are distributed to match the household size. For example, a single person cannot generally be given a two-bedroom home. There are exceptions, but the general standards which apply are as follows:
 - a. There is at least one occupant per bedroom.
 - b. A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom. Other household members may share but shall not be required to share a bedroom.
 - c. A person described in the first sentence of (b) shall not be required to share a bedroom if the consequence of sharing would be a severe adverse impact on his or her mental or physical health and the lottery agent receives reliable medical documentation as to such impact of sharing.
 - d. A household may count an unborn child as a household member. The household must submit proof of pregnancy with the application.
 - e. If the applicant is in the process of a divorce or separation, the applicant must provide proof that the divorce or separation has begun or has been finalized, as set forth in the application.
10. You need to comply with maximum income guidelines at the time of the lottery. If you reside at the property, your income must be certified annually to ensure continued program compliance. Once a resident, your income is allowed to increase to, but not exceed, 140% of the current income guidelines. If that occurs, after the end of your current lease you will have the option of staying in your unit and paying market rent or not renewing your lease.

11. Lottery Process

Due to the nature of the affordable units' availability, it is important for everyone to understand the procedure. Please be advised the program and its requirements are subject to changes in state or federal regulations.

- a. Lottery Pool. Both affordable units will be available to applicants in the Open Pool. There is no Local Preference Pool for this lottery. The unit breakdown is two (2) one-bedroom units in the Open Pool.

Unit Assignment & Priority Rules

- a. Unit distribution will be based on Open Pool lottery ranking and household size. The highest-ranked applicants who meet household-size requirements, submit required documentation by the designated deadline, pass the Leasing Office screening, and are determined program eligible will be offered units in ranking order.

Please note: Household-size requirements apply. Applicants will not be approved for units larger than their household size allows, subject to reasonable accommodation and applicable occupancy standards.

- a. Applicants will only have the opportunity to lease the unit once the Phase 2 application has been submitted and you have met the program eligibility criteria and all relevant Leasing Office reviews have been completed.
- b. If all affordable units are leased and lottery applicants remain, the established Open Pool ranking list will be used to create a waiting list for the project.
